

2nd Experiment

Aim : Execute and display the results for the following commands in Kali Linux Operating Systems:

less command

more command

vi command

Output :

```
Desktop <> WebIDE > Terminal Web 8080 + Linux / Your First Linux Lab
0 directories, 0 files
Labex:project/ $ mkdir lab
Labex:project/ $ cd lab
Labex:lab/ $ touch file1.txt
touch file2.txt
Labex:lab/ $ mkdir folder1
Labex:lab/ $ touch folder1/file3.txt
Labex:lab/ $ tree
.
|-- file1.txt
|-- file2.txt
`-- folder1
    |-- file3.txt

1 directory, 3 files
Labex:lab/ $ echo "This is line 1" > sample.txt
echo "This is line 2" >> sample.txt
echo "This is line 3" >> sample.txt
echo "This is line 4" >> sample.txt
echo "This is line 5" >> sample.txt
Labex:lab/ $ less sample.txt
Labex:lab/ $
Labex:lab/ $ q
zsh: command not found: q
Labex:lab/ $ less sample.txt
Labex:lab/ $
Labex:lab/ $
Labex:lab/ $
Labex:lab/ $ more sample.txt
This is line 1
This is line 2
This is line 3
This is line 4
This is line 5
